

The New Clubhouse Opening

Bullseye at Old Basing

OLD BASING Archers celebrated the opening of their new clubhouse at Old Basing Rec in style with a match victory in an inaugural shoot against Sway Bowmen.

The home shooters clinched a narrow 50 points victory to keep the new trophy at home.

The new headquarters, built with grant aid from Old Basing parish council, Basingstoke and Deane Council and Hampshire Playing Fields Association, was opened by president Terry Cootes.

John Reace was the winner of Old Basing's own St George's Day trophy. Pictured left is Geoff Machin.
