Classification Quick Reference

Overview

The ArcheryGB outdoor classification system consists of 9 different awards that recognise progression through various milestones. The 9 awards are split into three tiers, each with three classifications in it.

- The **Archer Tier** is aimed at a wide range of club-level archers.
- The **Bowman Tier** is aimed at archers who are at the level where they might choose to enter competitions, right the way from club-level events to national level events.
- The **Master Bowman Tier** is aimed archers competing at the very highest levels of the sport.

Claiming a Classification

To claim a classification, you need to shoot a number of arrows above a certain threshold score. The total amount of arrows changes as you move up the tiers. You can mix and match rounds of different lengths in order to make up the total.

For Archer and Bowman classifications, your club records officer can confirm you've met the requirements. Badges are available from retail suppliers for these tiers.

Master Bowman tier classifications need to be claimed from ArcheryGB. A claim form is available on the website where you can submit your qualifying scores.

Classification Tables

The following pages of this document contain the complete classification table for all combinations of bowstyle, gender and age-group, and also include descriptions of each round. Print out the page that's relevant to you and keep it with your archery kit as a quick reference.
